

Ks-intra – our student intra

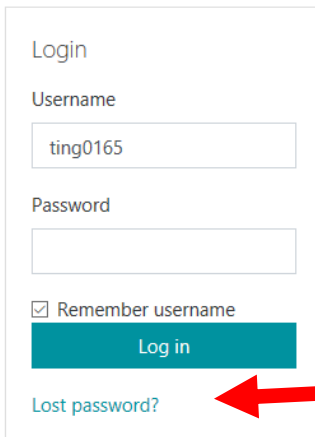

Copenhagen Language Centre has a student intra. Here you will find your virtual classroom, information about the course program, exercises, assignments and supplementary materials.

You can either follow the link on the homepage or go directly to the URL <https://ks-intra.dk>.

The screenshot shows the Ks-intra website interface. At the top, there is a navigation bar with links for 'Ks-intra', 'HELP', 'Intranet', 'Quizzes', 'Links', 'Ordbogen', and 'English (en)'. The main content area features a header with the Ks-intra logo and a section titled 'IMPORTANT INFORMATION!' with text regarding password updates and a 'Lost password?' link. Below this is a 'Sitenyheder' section with a post from Ruth Horak. On the right side, there is a 'Login' form with fields for 'Username' (containing 'ting0165') and 'Password', a 'Remember username' checkbox, a 'Log in' button, and a 'Lost password?' link. A red arrow points from the 'Lost password?' link in the main content area to the 'Lost password?' link in the login form.
